

HEALTHY COMMUNITIES PARTNERSHIP OF SOUTHWEST INDIANA

Corporate Commitment

As an organization, we value the importance of creating a healthy worksite culture and will contribute to ongoing relevant efforts in our community.

We, _____ commit to becoming an active participant in the Healthy Communities Partnership.

Our corporate commitment will include:

1. Designate a Corporate Champion(s) to serve as our representative on the multi-sector, community-wide Corporate Champion Team.
2. Provide support to our Corporate Champion as he/she leads internal efforts that align with the goals of the Healthy Communities Partnership.
3. Dedicate resources to support both organizational changes as well as broader, community-level efforts working to make healthier options the default.
4. Register our organization to be One in a Million Hearts™ on the Department of Health and Human Services' Million Hearts™ website.

The Corporate Champion(s) will be:

Name

Title

Email

By signing this, I agree and consent that my name (as organization lead) and my organization's name can be used and published on a list of those that support, promote, and adhere to the overarching goals of the Healthy Communities Partnership.
